OPERATIONS CENTER RESPONSE FORM
JOINT CSTG/IERS CALL FOR PARTICIPATION
INTERNATIONAL LASER RANGING SERVICE (ILRS)

Operations Center Name:_____

Name of Primary Technical Contact:_____

Local Mailing Address:_____

Phone No. (Inc. Country Code):_____Onsite FAX No.:_____

E-mail Address:_____Center Web Site:_____

Parent/Funding Organization:_____

Which Subnetwork(s) and/or individual SLR stations will you support?
_____

Database software packages used:_____

Computational/Data Storage Hardware Available: _____
_____

Total Data Storage Capacity Available for SLR data (GB):_____

Network Access Available/Maximum Data Transfer Rates (FTP, TELENET, Interactive, WWW, dial-up, etc.):
_____
_____

Planned Upgrades (if any):_____

Yearly manpower to support proposed effort(manyears):_____

Will your center be in the routine data transfer path between the tracking sites and Global Data Centers(Y/N)?___
If yes, do you commit to the transfer of SLR ranging data from the stations/subnetworks you support to the global data centers within 24 hours of acquisition or less (Y/N)?_____On weekends(Y/N)?____

Which of the following services will you perform for the subnetworks/stations (Y/N)?
Collection and merging of data from the subnetwork?_____
Format and data integrity checks?_____
Data reformatting into an ILRS/CSTG standard format?____
Compression of data files?_____
Maintenance of a local archive of normal point data?____Full rate data?____For how long ?_____
Generation of satellite acquisition data?_____What form?_____Which satellites?_____
_____
Updated time biases?_____Which satellites? _____
_____
Electronic transmission of data to a designated ILRS Regional or Global Data Center?_____Which Center?_____

Monitor global "quick-look" reports from the analysis centers and report data problems to the stations under your jurisdiction? ___
Sustaining Engineering? ____For what subnetwork/stations?_____

_____
If you perform sustaining engineering, should data problems at a station be reported to the Operations Center?_____Station?_____
Other services?_____
What services (if any) do you propose to provide to the global SLR network?

_____

Please add any additional information regarding your center's capabilities or experience that you feel is relevant.
